### Product Specification

Date: July 2014

**Product Name:** Balti Glaze  
**Recipe Number:** MFP180

**Issue No.:** 3  
**Recipe Number:** MFP180

**Pack Size:** 2.5kg (8x2.5kg)  
**Bar Code:** 5028081005986  
**Product Code:** MG005

**Pack Size:** 10kg  
**Bar Code:** 5028081005993  
**Product Code:** MG005T

**Description of Product:** A rounded combination of authentic spices with a generous addition of onion and tomato.

Middleton Food Products only use ingredients that are specified free from nuts and their derivatives and contain no genetically modified materials.

**Shelf Life Unopened (24) Months**  
Suitable for Vegetarians

**Labelling Details:**  
Name of product / Julian Day Code / Batch No. ID / Best Before Date / Pack Size / Ingredients & Directions for use

**Yield and Make-Up Instructions:**  
For the best results add 100g of Middleton Glaze to 1kg of your chosen raw meat or poultry (or 10% of the weight of your meat)

1. Place the meat or poultry in a large bag or bowl.
2. Add the glaze (see above for quantity) into the bag. Tumble and shake until the meat is evenly coated.
3. Leave the coated product to develop into a tasty rich sauce.
4. Garnish and display.

**Visual Appearance:** Brown powder with visual herb flecks.

**Storage:** Store in a cool dry place away from strong odours and direct sunlight. Do not store at over 40 Deg C and below 0 Deg C for prolonged periods.

**INGREDIENTS WHICH MAY BE ASSOCIATED WITH HYPERSENSITIVITY IN SOME INDIVIDUALS**

**2.5kg Tub (Euro Pallet):**

- **Units per outer case:** 8x2.5kg  
- **Cases/sacks per layer:** 6  
- **Layers per pallet:** 4  
- **Total cases/sacks per pallet:** 24

**10kg Tub (Standard Pallet):**

- **Units per outer case:** 1x10kg  
- **Cases/sacks per layer:** 16  
- **Layers per pallet:** 5  
- **Total cases/sacks per pallet:** 80

**First Aid Measures:**

**Health Hazard:** This product is designed for human consumption and when used in accordance with our recommendations should be safe for that purpose.

**Fire Hazard:** This product may present a fire hazard or explosion hazard when dispersed in air. Fires are readily extinguished with water or foam.

**Material Safety Data:**

**Health Considerations:**

This product is produced for human consumption and conforms to The Food Safety Act 1990 & Regulation (EC) No 178/2002. However, this is a concentrated product and is not intended for consumption in this form. As with all fine powder products dusting may occur, which could cause irritation to respiratory passages. Prolonged contact with the skin should also be avoided. It is therefore recommended that the necessary protective clothing (Overalls) and equipment (e.g. dust masks) should be worn by operatives handling this material. In the event of powder contact with the eye it is recommended that prolonged irrigation with water should be carried out in the first instance and that medical advice should be sought as soon as possible if problems occur.

**Fire & Explosion:**

This product is non-flammable and non-toxic. As with all fine powder products it is capable of forming flammable dust clouds given the extraordinary conditions necessary for this phenomenon. Under normal conditions of use this hazard is not perceived as significant. As a precaution, sources of ignition should be eliminated and build up of dust on floor and machinery avoided.

**Spillage & Disposal:** Spillages should be swept up immediately and the affected surfaces cleaned and flushed with hot water. Adequately diluted with hot water this product will not have any adverse effect on effluent management systems.

**Handling & Storage:** To avoid prolonged contact with the skin and soiling of personal clothing, adequate protective clothing should be supplied to operatives handling this material.
No changes to be made to this specification or the product without prior notification to Middleton Food Products Ltd.
Please sign and return the slip below by way of your approval of this specification, otherwise Middleton Food Products Ltd will assume this specification suits your requirements of both legality and quality.
